

GoCrease™ AutoAir

Automatic suction feed creasing, perforating, and punching machine with speeds up to 3,000 sheets per hour.*

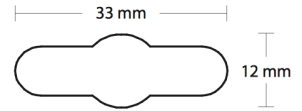

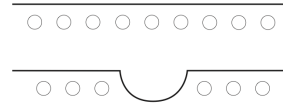

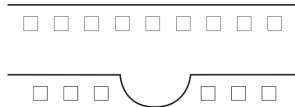

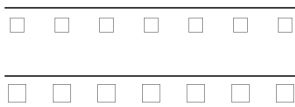

Specifications

Speed, sheets per hour	3,000* (1 crease)
	4,300* (0 crease)
Paper weight, gsm	80-400 gsm (creasing)
	80-250 gsm (perforating)
Custom programs	60
Working width, inches	18 (creasing and perforating)
	17.7 (punching)
Max. number of creases per sheet	40
Max. number of perfering wheels	13
Min./max. distance of creases, inches	0.03 / 39.3
Electrical requirements	110 V, 50 Hz
Product dimensions (D x W x H), inches	47.2 x 31.5 x 28.3 (48.2 w/ table)
Shipping weight, pounds	415.6 (includes mobile table)

*May vary due to variations in paper

Punching Options:

The GoCrease™ AutoAir features a unique air feed system enabling creasing of all types of paper within 80-400 gsm. Accuracy, feeding reliability, versatility of use, optional rotary perforating & cutting tools, high speed, and input capacity - are all main features of this model. The 7" color touch screen display makes the GoCrease™ AutoAir very user friendly. Skew adjustment, program storage, batching, and two widths of creasing channels comes standard on the machine. 2.75" stack height. Automatically measures sheet size. A mobile table is included for easy and diverse use, as well as 2 creasing tools, a perforating tool, and a perforating wheel. Predefined fold types include: 1/2, 1/3, 1/4, gate, and book cover.

Features

TOUCH SCREEN DISPLAY

Touch screen display for easy setting of distance and number of creases.

WASTE DRAWER

The waste drawer is made of metal construction and built to endure everyday use with no wear.
